

Operational Advice Notice

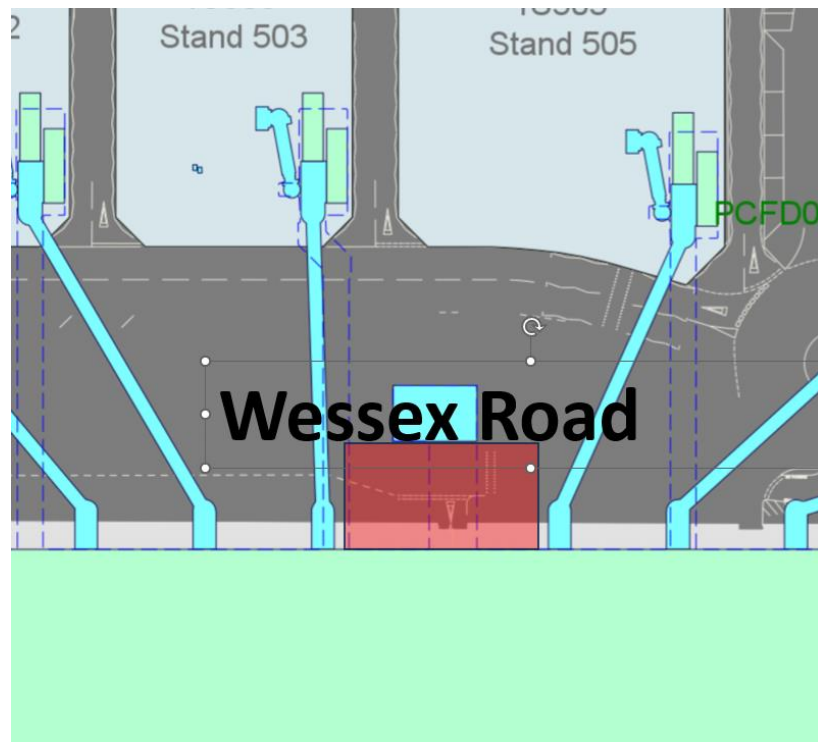

Terminal 5A Wessex Road Pavement Works

26th June 2024

ASWorks_OAN_288

Version 1.0

It is the responsibility of all employers to ensure that relevant OANs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

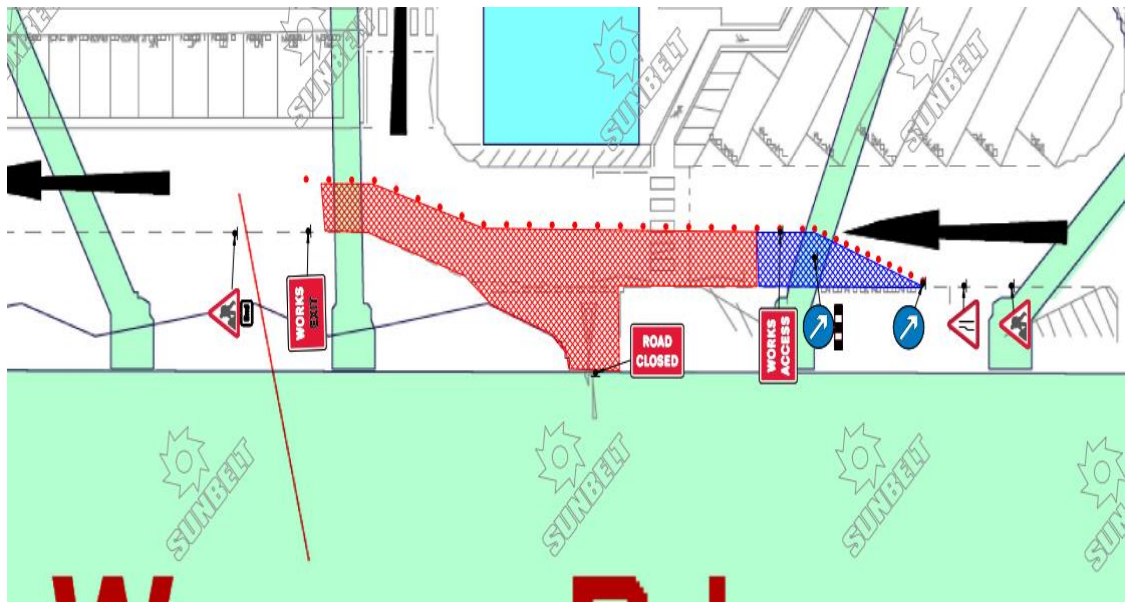

1. Introduction

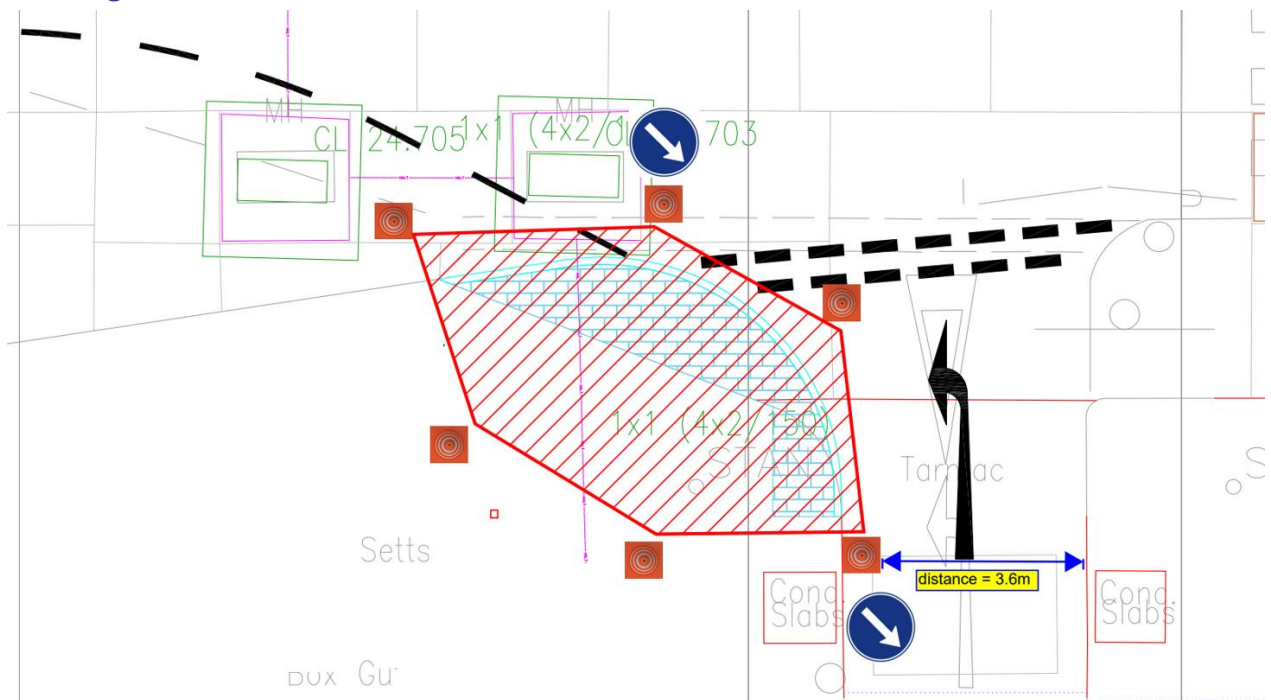

This Operational Advice Notice (OAN) informs the airport community that there will be a worksite set up in Terminal 5A Wessex Road outside the baggage hall. The work taking place is to improve the curb for the British Airways Bus Electrification Project. This requires making changes to the curb coming out of the baggage hall. This is due to take place **from 1st July 2024 to 6th July 2024 between the hours of 2230 (local) and 0430 (local)**. Outside of the working hours the site will remain in place until the work is completed. There will be a partial road closure during the works. There will be a traffic management plan in place to safeguard the worksite, as per **Drawing A** below. **Drawing B** shows what the reduced worksite will look like outside of the working hours. Drivers must observe and follow the traffic signage displayed at all times.
