## Terminal 4 Stand Entry Guidance System Surveys

26<sup>th</sup> July 2024

ASWorks\_OAN\_299

Version 1.0

It is the responsibility of all employers to ensure that relevant OANs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

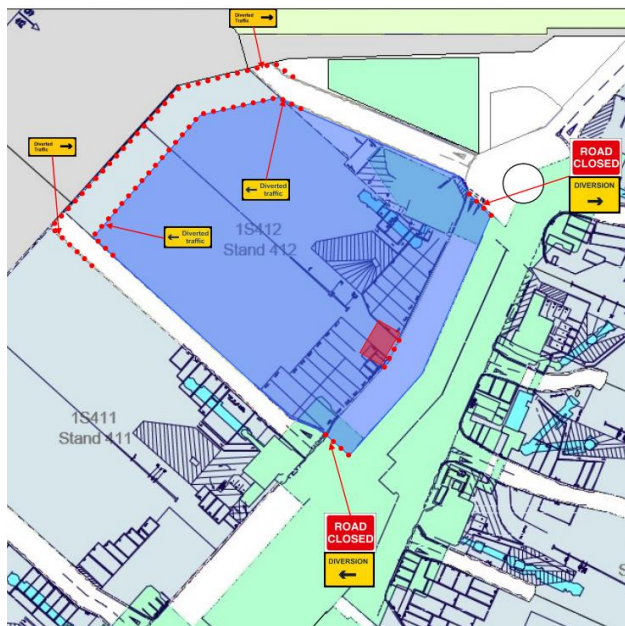

### 1. Introduction

Surveys are required to evaluate the condition of the Stand Entry Guidance System, to assess the construction and structural capacity of the existing structure. Ferroviol will be carrying out the surveying works of Terminal 4.

Traffic management will be in place each night to facilitate the works, see below an example of the type of diversion you will see:

Please see below a table which outlines the dates on which Ferrovial will be working and on which stand they will be working on:
