

Operational Advice Notice

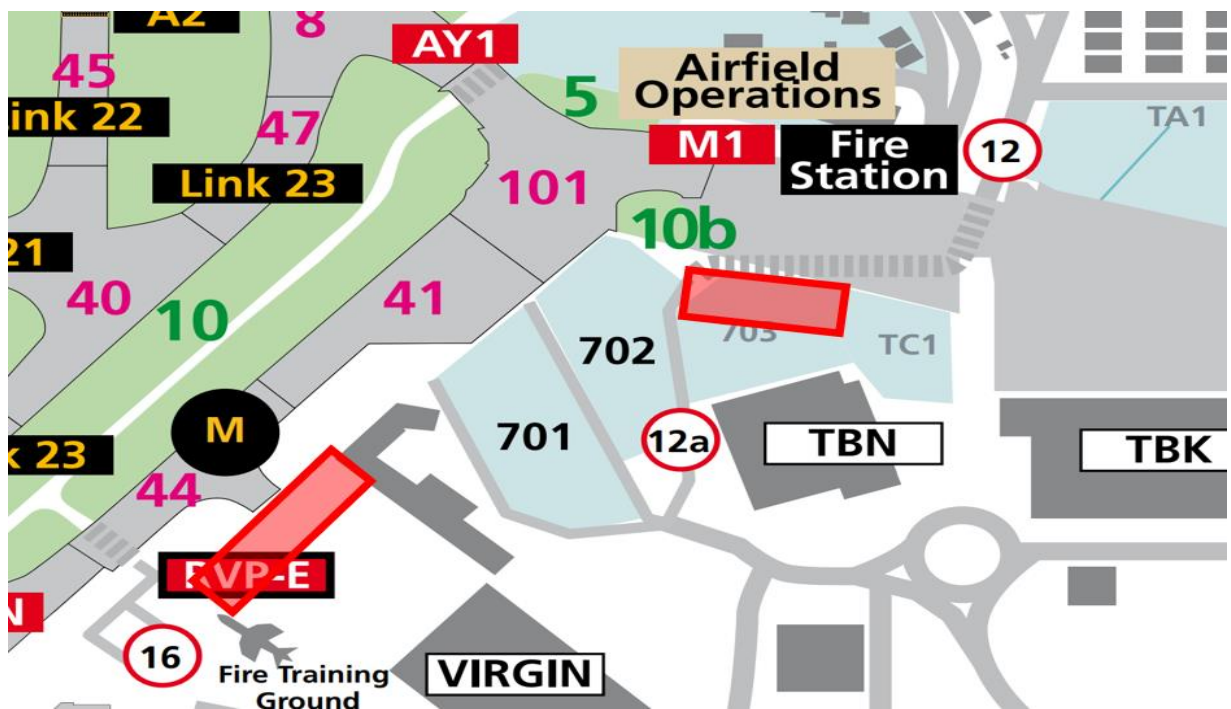

Installation of Road System between CP16 & No.1 Maintenance Base

26th July 2024

ASWorks_OAN_300

Version 1.0

It is the responsibility of all employers to ensure that relevant OANs are brought to the attention of their staff. However, individuals remain responsible for their own actions and those who are in any doubt should consult their Supervisor or Manager.

1. Introduction

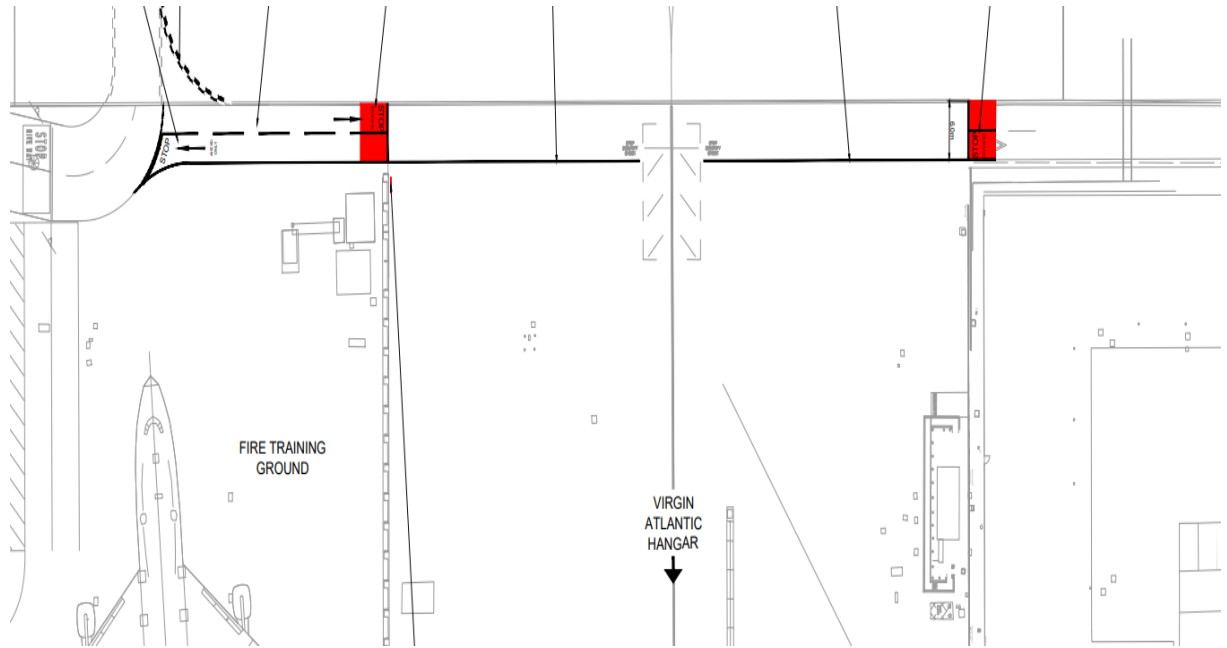

This Operational Advice Notice has been written to give all airside road users notice of the installation of a new road system, designed to facilitate access and egress between CP16 and the No.1 Maintenance Base.

The working period for these works is **from 01st August 2024 to 06th August 2024 and between the hours of 2230 and 0430**. During the working period, traffic management will be in place to facilitate the installation of the road system.

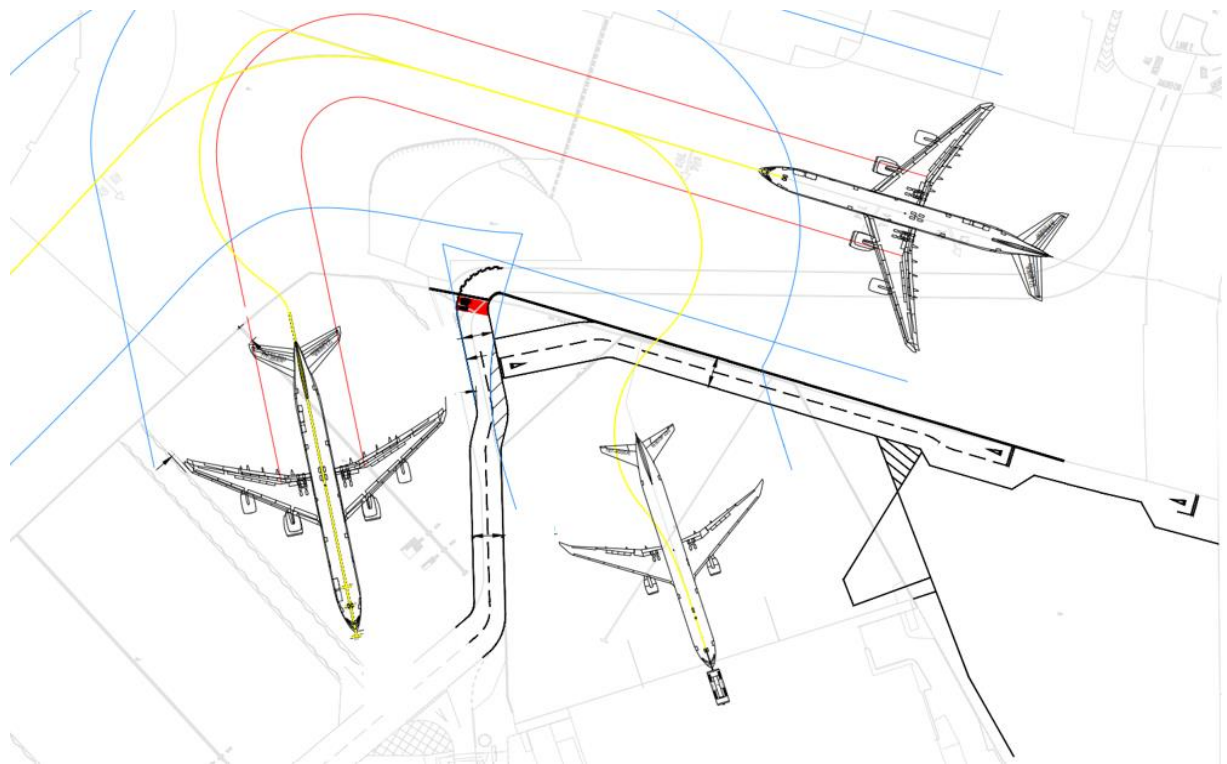

The below Drawings show the layout of this new two-way road system, particularly the new roads behind the Virgin and United Maintenance Facilities.

Stand 701 – Virgin Atlantic Maintenance Facility

Stand 703 – United Maintenance Facility

These works will be completed on **06th August 2024 at 0430 hours**.

Vehicle drivers are reminded that they **MUST** give way to all aircraft movements entering or exiting the Maintenance facilities whilst using the new road system. Vehicle drivers are also reminded that they **MUST NOT** wait or park within hatched areas at any time.

2. Enquiries

Any questions regarding this notice should be directed to Glenn Lindup glenn.lindup@heathrow.com.
